INSIDE THIS ISSUE

- 1 Upcoming Activities
- 2 This week
- 3 Reminders
- 4 Last week/ Heads up!!

Upcoming Activities

- 2/20- SandCastles Closed!!
- 2/21- Learn about moons and make oobleck
"moon sand"
- 2/22- Start our Planet Dioramas
- 2/23- Work on dioramas
- 2/24- Finish our dioramas

This week:

-We will learn about the solar system and the planets! The sharks will be begin by making a moon sand and Miss Miranda will teach us about moons. For the rest of the week we will work on our space dioramas by creating planets, stars, moons and other aspects.

Reminders for the week:

-Heads up: we will be having a teen help out with the sharks during snack time :)
-Please bring any old shoe boxes or other recycled materials you may have lying around :)

Last week:

- We had a lot of fun for Valentine's Day! But the learning never stopped as we learned about how chemistry can be incorporated in everyday life.
-Thank you for all the help making our Valentine's party a lot of fun!
