Creating opportunities
since 1995

History of SandCastles

In October 2004, Community Partnerships of Idaho began a new adventure owning and operating SandCastles Early Learning Center. The program was formerly operated by a husband and wife team for the past thirteen years. The building was remodeled in 2002 and now includes four classrooms.

Philosophy

We believe in the memories of childhood. Our programs are designed for children to explore their environment. A hands-on approach to learning is key to how children experience and grow. We also believe that families are an integral part of our program. Partnering with families helps strengthen the bond we have between our Sandcastles staff and you.

Values

- Integrity
- Innovation
- Relationships
- Personal Dignity

Mission

The mission of SandCastles/Community Partnerships of Idaho (CPI) is to create opportunities for children to learn and achieve their goals. We do this by providing quality programs for children and families, providing a safe and nurturing environment for children and partnering with our parents to provide the best care. Our mission is driven by adhering to a set of core values: *Integrity, Innovation, Relationships and Personal Dignity.*

Accreditation

SandCastles is accredited by the National Accreditation for the Education of Young Children (NAEYC). The NAEYC is a national, voluntary accreditation system for early education programs that help families identify high quality programs.

Curriculum

SandCastles uses emergent curriculum. This takes shape week by week and day by day with the teachers who thoughtfully make plans that draw on the children's interests and activities rather than mapping out everything months in advance. An emergent curriculum emphasizes that the planning needs to emerge from the daily life

of the children and adults. We believe that children learn much more readily when the subject matter is relevant to their lives. It takes a tremendous amount of work and spontaneity for a teacher to provide a truly emergent curriculum.

Payments

When enrolling your child, we will set up a payment plan that works for you.

We are open from
7:00am to 6:00pm
Monday-Friday.

We have a secure facility with a state-of-the-art entry system using personalized entry codes. In addition, only individuals authorized by you can sign your child in and out.

Additional information

Two snacks are provided daily and each child brings his or her own lunch.

We have a bus that takes the children on field trips as well as transports students to and from school.
